

WSFS FINANCIAL CORPORATION
(THE “COMPANY”)

CORPORATE DEVELOPMENT COMMITTEE
OF THE BOARD OF DIRECTORS

CHARTER

(AS APPROVED BY THE BOARD OF DIRECTORS ON DECEMBER 7, 2017)

I. Philosophy

The Corporate Development Committee (“CDC” or the “Committee”) has as its central guiding principle to act in the best long-term interests of the shareholders of the Company.

II. Purpose

The Committee is appointed by the Company’s Board of Directors (the “Board”) to assist the Board and management in reviewing and assessing potential acquisitions, strategic investments, joint ventures, and divestitures within any specified applicable value range or other parameters as may be established by the Board from time-to-time, if any (collectively, “transactions”). In the absence of any parameters established by the Board, the term “transactions” shall mean any acquisitions, strategic investments, joint ventures, or divestitures that involve a purchase or sale price of over ten million dollars (\$10,000,000) or any other transactions which are outside the Company’s core competency as determined by the Committee. The Committee will have the authority to take action on behalf of the Board as set forth in this Charter and as further designated by the Board.

III. Composition

The Committee shall be composed of at least five members of the Board including all the members of Executive Committee so timely corporate action may be taken if needed.

The members of the Committee shall be elected annually by the Board, based on a recommendation by the Corporate Governance and Nominating Committee. The members of the Committee will designate a Chairperson and Vice Chairperson by majority vote of the Committee membership. The Board may add or remove a member to or from the Committee with or without cause at any time.

IV. Meetings and Operations

The Committee shall meet four times per year but also as frequently as necessary to fulfill its responsibilities. A majority of the Committee members will constitute a quorum for the transaction of business at any meeting of the Committee. Action of the majority at any such meeting will be the action of the Committee. The Committee may delegate authority to person(s), subcommittee(s) or the full Board when appropriate.

The Committee shall conduct its operations generally in accordance with the applicable procedures set forth in the WSFS' By-Laws with respect to the operations of the Board, except to the extent that such procedures are modified or superseded by the terms of this Charter.

The intention is for all binding transaction offers or contracts to be authorized by the full Board. While the Committee by its composition has authority to issue binding offers and contracts, the intention is that authority will only be used for CDC business in circumstances where it is impracticable for the full Board to meet on a timely basis.

V. Responsibilities and Duties

In addition to any responsibilities and duties assigned to the Committee from time-to-time by the Board, the Committee shall:

1. Review and provide guidance to management and the Board with respect to the Company's transaction strategies.
2. Provide advice to management in connection with the identification and evaluation of transactions, and the engagement of counsel and advisors.
3. Authorize management to execute binding and non-binding offers, proposals, letters of intent, definitive agreements and similar offers and documents with respect to proposed transactions. Any such authorization shall be promptly reported to the entire Board of Directors of the Company at no later than the next full Board meeting.
4. Provide advice regarding management's due diligence and integration efforts with respect to proposed transactions and review summary due diligence results.
5. Cause appropriate periodic evaluations of recent transactions completed by the Company to be conducted, if and as deemed necessary.
6. Provide a report of its meetings and activities to the Board on a regular basis, and report regularly to the Board on such issues as the Committee may determine are appropriate.
7. Review, and change as deemed necessary, this Charter from time-to-time, but no less than once a year.
